

MULTIPLYING MISSION GIVING DAY

Tuesday, October 14

Pastors are on the frontlines of Gospel ministry, especially in under-resourced Spanish-speaking communities. When they are equipped with proven tools and training for ministry—together with a supportive network—their churches grow stronger and more faithful.

By giving, you're not just helping one pastor—you're multiplying your impact across dozens of congregations, thousands of lives, and generations to come.

HOW IT WORKS

- 1 Make a gift on October 14**
to equip Spanish-speaking pastors and leaders
- 2 Your gift multiplies**
strengthening churches and reaching communities
- 3 Join us**
in raising \$40,000 to support 1,000 leaders!

Your giving multiplies the mission.
