Church Announcement / Bulletin Script

October is Pastor Appreciation Month—and a great time to invest in those who lead the church. Join us for **Multiplying Mission Giving Day** on Tuesday, October 14, and help support Spanish-speaking pastors across Latin America and the U.S. This one-day giving campaign will raise \$40,000 to equip 1,000 under-resourced leaders with the tools, training, and community they need to grow strong, faithful churches. Just \$40 supports a pastor for an entire year—and every dollar multiplies to impact entire congregations and communities. Let's multiply the mission—together.
